

2006 NWAIA Design Awards Public Invitation

Celebrate Architecture

On Friday December 8th we welcome you to join us, along with other local architects and the general public, for our 17th annual Design Awards, sponsored by the Northwest Washington Chapter of the American Institute of Architects. This evening is an opportunity to celebrate all that makes architecture such an incredible and inseparable part of our lives!

We are especially pleased to attract varied and interesting jurors to our event, Nils Finne, Rich Cardwell, and Shannon O'Leary whom will show and discuss timely architectural topics, as well as offer expert commentary on the projects submitted.

The event will be held in McIntyre Hall on the Skagit Valley College Campus, designed by LMN Architects. Tickets for the event are \$18.00. Doors will open at 6:30 pm on December 8th, when projects will be available for viewing during an hors d'oeuvre and no-host bar hour in the lobby. The 2006 Design Awards program will be held in the auditorium from 7:30 to 9:00 pm, followed by a dessert buffet hosted in the lobby.

We invite you to purchase tickets to this event for yourself, friends and family by going online to www.mcintyrehall.org or by calling (360) 416-7727 or (866) 624-6897. You will also find directions to the venue on the website.

Lastly, please feel free to visit www.nwaia.org to preview the projects online between November 20th and December 7th. While there, be sure to cast your vote for the "2006 People's Choice Award" – let your design opinion count!

We look forward to seeing you on December 8th!

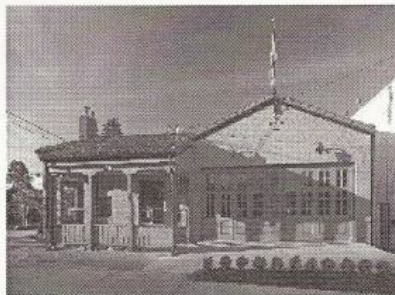

Sincerely yours,

The 2006 NWAIA Design Awards Committee
